

Celebrate life

RATHINAM

RATHINAM

THE BRAND OF EXCELLENCE

IN KNOWLEDGE DEVELOPMENT AND INNOVATION

It is 40 years now, since its inception in 1979 with a vision for creating an education and service based community with a global outlook. It all started off with the setting-up of a Matriculation school in Eachanari, Coimbatore which has now grown into a sprawling ecosystem comprising of educational institutions catering from KG through doctoral programs in various faculties, technology parks, a special economic zone, Incubation center, etc.. Providing well-rounded curriculum, inspiration and empowerment of the young talents to face real world scenario has always been the core objective of Rathinam Group.

We, at Rathinam, are a unique community comprising 6000 plus students enrolled across our institutions, 2500 service industry professionals employed in the 14 companies situated in our campus, besides team of best in class academicians who serves as a bridge between the two. Besides Industry - academia integration, our campus is truly multi-ethnic and multi-cultural with students from Africa and the Asia-Pacific region, providing a truly international experience. Rathinam Group of institutions in all these years has successfully evolved to be a trend-setter in providing world class education and campus life in Coimbatore standing by the motto - Celebrate Life.

The Rathinam family consists of the following,

FROM THE CHAIRMAN'S DESK

Warm Greetings !

Rathinam, as a premium Institution is known for its unique quality of Education. Rathinam Group is the only institute which brings education, information technology (IT) Development and infrastructure development under one roof. The Group offers various traditional and modern courses to aspiring students who come from across the globe.

Rathinam Group's campus is spread over 70 acres and situated in south Coimbatore on NH 209. Bestowed with a state-of-the-Art infrastructure, the Group takes great care in selection of its qualified and experienced teaching staffs. It is the place where countless leading Indian and MNC companies recruit from well educated, well informed and well trained hands – on students. Rathinam Group is bringing about a revolution in education.

Through our unique programme, it is a great way to stay motivated, stand out from the competition, become more valuable to prospective employers and give an opportunity to realize the full potential of the students.

Rathinam trains its students to grow with growing demand of aspirants in gaining knowledge of current global management practice and perspective by providing the inter curriculum and hands – on training. Rathinam believes in creating tomorrow's leaders and to develop variety of skills to the students which the employers are increasingly looking for.

Dr. Madan A Sendhil
Chairman, Rathinam Group of Institutions

- How can we develop a better recycling system to protect the environment?
- How can we design a building that can withstand an earthquake?
- How can we create cutting-edge special effects for the movies?"

Eligibility As per Anna University & AICTE Norms

RATHINAM TECHNICAL CAMPUS

(Institute of Engineering & Technology)

Affiliated to Anna University & Approved by AICTE, New Delhi

Engineers are team players with independent mind who ask questions such as above and also find solution for them as well. Engineers use their imagination and analytical skill to invent, design, and build things that matter.

Rathinam Technical Campus proudly called as Rathinam Institute of Technology is a ground-breaking initiative which offers the engineering education at a higher echelon. Situated inside the 70 acres of Rathinam Techzone campus, the engineering college has assorted add-ons like IT Parks, Special Economic Zone and other Educational Institutions. No need to say about the opportunities here are abundant as the students can get in-house training at the IT Park and SEZ and can move with IT.

RATHINAM SCHOOL OF ARCHITECTURE (RSA)

(Affiliated to Anna University & Approved by Council of Architecture)

ON A MISSION TO CONQUER NEW FRONTIERS - RSA!

Rathinam School of Architecture is an institution established by an elite panel of practitioners and academicians with an intention to redefine learning and set new standards in Architectural education, design, research and scholarship to create an engagement between academia-research-Industry. RSA will constantly explore the domain of Design and Architecture through intense architectural dialogue, inquiry, experimental and continued research to evolve informed industry ready professionals with aptitude necessary to emerge as leaders and critical thinkers in the field of Architecture and Design.

CENTRE OF EXCELLENCE AND LIVE-LAB FOR SMART CITIES DEVELOPMENT

To address the evolving needs and emerging trends in hundreds of smart cities development projects around the world, Rathinam School of Architecture (RSA) is in the process of setting up a "Centre of Excellence and Live Lab for Smart Cities Development" within the college premises. In addition to carrying out smart cities related consulting, Incubation, and Testing activities, this centre will also provide a platform for RSA B.Arch students to learn and practice Architecture inside the Centre of Excellence and Live Lab for Smart Cities Development. This puts them above their peers with a hands-on experience in planning, designing and executing deeply involved projects while doing their B.Arch program.

RATHINAM COLLEGE OF ARTS & SCIENCE **AUTONOMOUS**

Re- Accredited with A grade by NAAC Approved by AICTE & Recognized by UGC under Section 2(f) & 12(b)

Rathinam College of Arts & Science (RCAS) stands strong for the students who are willing to learn something new. We are not restricting ourselves to just the academic education, which is just a part of our curriculum as we believe. The overall growth of students is also equally important. Rathinam understands that, the college a student gets in, will change his or her entire life. We follow a well organized and clearly charted system of education, co-curricular, and extracurricular activities which paves the way for a better future.

Our ultimate aim is to provide a learning experience which embraces changes in a positive way. Experience and innovation of faculties go hand in hand, by which the students gain knowledge and skills. In order to prepare for the competitive world, education at RCAS is done as a Life transforming experience.

Rathinam College of Arts and Science, iNurture Education Solutions Collaboration

Rathinam College of Arts and Science and iNurture Education Solutions have come together to offer advanced, career-ready undergraduate and post graduate programs in fast-growing new-age industry sectors.

B.Sc CS (with specialisation of Cloud Technology and Information Security)

B.Sc IT (with specialisation of Data Science)

M.Sc (Data Science and Business Analytics)

About the Program

With the outburst of digital information produced in the recent times, organisations have been on the continuous search for solutions that can help them store and manage these huge volumes of data. Cloud technology is an innovation which has made it easy to store, retrieve and communicate data. On the other hand, the increased use of internet for communicating information has also raised the risk of data security breach. Companies have emphasised on the need for protection of information in the wake of security breach incidents. The B.Sc CS (with specialisation of Cloud Technology and Information Security) program offered by Rathinam College of Arts and Science focuses on preparing students in new-age IT domains. With knowledge in these domains, students can see greater success during their professional career. This degree program, which offers dual specialisation in Cloud Technology and Information Security, provides a unique value proposition by combining the important subject areas in each of these new-age fields of study and providing an integrated learning platform.

The B.Sc IT (with specialisation of Data Science) program is aimed at training students to be professionals who have strong fundamental knowledge in core areas of information technology and advanced technical knowledge and skills in data science sector. After completing the program the following outcome is expected from students.

The content for M.Sc program is developed after collecting inputs from industry veterans so as to include all subjects and concepts that are crucial for a student to launch a successful career in new-age sectors. The program not only develops strong foundational knowledge in the core areas but also focuses on those subjects which are great application in present-day industry. The program helps develop career-ready M.Sc graduates.

Program Highlights

- Focus on pre-processing, storage and analytics of data for business environment
- Designed to impart strong knowledge of R programming, Python fundamentals and Business Management concepts
- Delivers conceptual and practical knowledge of Data Science Techniques and Big Data Analytics

CAREER GUIDANCE & PLACEMENT CELL

Placement and training cell of the college is equipped with motivated faculties to train the students and equip them to suit the present day industry needs. A separate department was started during 2006 with a goal of providing world class training and placement of students in renowned companies.

The Placement cell is headed by the Principal and all the activities are co-ordinated by the Vice Principal, Placement Officer, HR managers, HR consultants and the Heads of the Departments to help the placement officers in training and motivating the students to get suitable placements.

Activities of Career Guidance and Placement Cell:

- Career guidance, counseling, and motivational programmes
- Finding suitable training organization to prepare the students for training to suit the company needs
- Conducting regular soft skill training programmes and aptitude skill based evaluations
- Interactive and communicative English classes and workshops
- Interaction with companies, organizations, consultants and arranging for on-campus interviews
- Consucting Job Fairs/ Job Meets, follow-ups and getting feedback from the recruiters.

THE BRAND OF EXCELLENCE
IN KNOWLEDGE DEVELOPMENT AND INNOVATION

Our Mantra of Teaching
"Learning by Doing"

**RATHINAM
INTERNATIONAL
PUBLIC SCHOOL**

Rathinam International Public School (RPS) is the international schooling division of Rathinam Group.

At RPS, we believe that learning is pleasurable and that learning in the form of play and enquiry can be the first step in having embraced a lifetime of learning. Every child gains a strong sense of self and grows into a healthy individual with life-long joy in learning, working and exploring life. This will enable them to contribute happily and productively, their unique talents to the world."

At RPS, children are exposed to different ideas and concepts, encouraged to question, motivated to experiment and express all that they learn in the form of creative work. This practice prepares them emotionally for academic learning.

OUR GLOBAL PRESENCE

Rathinam Group is spreading its International operations by broadening its focus into capacity building and Infrastructure development. The Group is currently involved in smart city development and higher education projects across SAARC and AFRICAN countries. Rathinam Group has been involved in Education and IT Development since its inception. The group has received many accolades; Recently, Rathinam Group was selected by Govt. of India to set up the prestigious Atal Incubation Center at its campus. Rathinam's wealth of experience combined with its pursuit of excellence holds the organization in good stead to undertake globally demanding projects.

PAN-INDIA PRESENCE

Rathinam Group continues to expand in India through a wide range of offerings in Education and Digital Services. The Group recently acquired a college in Delhi. Through this, it aims to provide quality education to all regions in India.

Rathinam group also operates in all the major cities in India through its Digital Services and Educational training offerings. Rathinam Digital Services caters to services such as GST Filing, Banking Services, AEPS, E-Seva, IT returns and has a presence in over 30 major tier-1 and tier-2 cities. In the training space, Rathinam, in association with British Counsel provides training to students and working professionals across India.
