“ The ACCA Qualification got me my first job within the Big Four in India. I worked in 15 different countries due to global nature of the qualification. Now I have an edge over others.” Vijay KR, PricewaterhouseCoopers Pvt.Ltd

“The ACCA Qualification will not only give you an international qualification in accountancy but will also enhance your global mobility.”

Dinesh Jangid, KPMG

Why accountancy?

I always wanted to do something with numbers and finance as I had a natural flair for them. Accountancy was the obvious option, something I could pursue with a passion.

Why ACCA?

ACCA is globally renowned and opens doors to opportunities around the world. It has helped me work in a wide variety of career roles in different parts of the world.

2.

We value the skills learnt on the journey

Employers all over the world are looking for people with the breadth of knowledge who can adapt to all the demands of modern-day business.

We help you to develop the variety of skills employers are increasingly looking for. Once you've got a good foundation of knowledge, you can tailor your qualification to suit all your future ambitions.

Why accountancy?

I strongly feel that in today's world of financial uncertainty and complexity, accounting professionals play a key role in shaping and driving the right focus for business profitability and growth.

Why ACCA?

The ACCA qualification gives me, or anyone for that matter, the ability to work in global organisations and operate from multiple countries as the qualification is recognized worldwide.

So many possibilities, so little standing in our way

Achieve success

Whatever path to ACCA membership you take, there are many qualifications you can achieve along the way. It's a great way to stay motivated, stand out from the competition, become more valuable to prospective employers, and give you the opportunity to realise your full potential. Through our unique partnerships, it's possible for you to achieve a BSc degree in Applied Accounting awarded by Oxford Brookes University.

Learn around Your life

In today's busy world, we think that learning should fit around your life, rather than your life around learning. With ACCA, you choose the pace you want to work at, how you want to study, and when you want to sit your exams. Study while you work, for instance, and you could become an ACCA member in as little as three years.

Open to all

We offer a variety of entry points. Start your studies at the most relevant level for you, based on your previous qualifications.

24/7 Support

Our training and exams may be rigorous, but we're here for you all the way. With our huge range of resources, services and support.

What is special in B.com with ACCA?

The ACCA (The Association of Chartered Certified Accountants) is the global body for Professional Accountants. ACCA aims to offer business-relevant, first-choice qualifications to people of application, ability and ambition around the world, who seek a rewarding career in Accountancy, Finance & Management.

Highlights of the Program:- Helps prepare for

- Future ACCA membership.
- Get through B.Sc in Applied - **Accounting from Oxford Brookes University U.K (After submission of Thesis).**
- Certificate in IFRS- International Finance and Reporting Standards
- ACCA Professional qualification

PAPERS TO BE COMPLETED

1. Accountant in Business
2. Management Accounting
3. Financial Accounting
4. Corporate and Business Law
5. Financial Management
6. Taxation
7. Financial Reporting
8. Audit and Assurance
9. Performance Management

To obtain an Advanced Diploma in Accounting and Business by any graduate, one has to appear in the ACCA online exams for the above said Nine papers.

But at Rathinam, we have embedded the content of the Nine papers of the ACCA modules in our B.Com syllabus. ACCA has approved the content, pedagogy and faculty training of the B.Com programme and as a consequence a student needs to clear the above mentioned Nine papers in the semester exams to get the B.Com degree.

To receive the ACCA certification, a student needs to write only Three papers in the online exam, viz, Sl.No, 7, 8 and 9 of the ACCA program and are exempt from writing papers 1 to 6.

In short, a student in three years passes out with a B.Com degree along with an ACCA certification.

Why accountancy?

A lot of people think that accountants only work in accounting and taxation. But in reality you work in other major areas of business such as financial management, performance management, risk and transaction, and corporate reporting.

Why ACCA?

ACCA is a global body and employers value the qualification which means no matter where in the world you go, employment is never an issue.
