Education. Technology. Infrastructure & Entertainment

Get Ready for a Life Transforming Experience . . .

www.rathinamcollege.com

It all started thirty nine years back in 1979 as a Matriculation school located in Eachanari, Coimbatore. Right from its inception, giving the best in all forms is its only motive. After making a healthy run in the industry for more than 20 years, Rathinam Group has expanded. Now it is called as the Rathinam Techzone - a 70 acre technological campus with various educational institutions teaching right from Pre-KG to Ph.D and IT Parks including Special Economic Zone (SEZ).

We have around 4000 students in our educational institutions. There are about 14 companies located inside the IT Park and SEZ, backing more than 2500 employees. Rathinam Group is also having multiple faces by pioneering education, Information Technology (IT) development and infrastructure development (IT Park / Housing Development) in South Coimbatore. With a straggling campus of 70 acres, Rathinam Techzone is located inside the Coimbatore Corporation on the NH-209. Equipped with frequent transport facilities, visiting the campus is more like a walk in the park. The core concentration of Rathinam is to approach the education from a different angle. It offers education in a new way that no other institution can offer. Learning, Working and Living - this is how the life at Rathinam is defined!

The Rathinam family tree consists of the following branches,

EDUCATIONAL INSTITUTIONS

- » Rathinam Technical Campus (Institute of Technology)
- » Rathinam College of Arts & Science (Autonomous)
- » Rathinam Institute of Management

Rathinam community college

Education plays an important role in the all-round development of human being. India. At present, is recognized as one of the youngest nations in the world with over 50% of the population under the age of 30 years. It is estimated that by about 2025, India will have 25% of the world's total workforce. In order to harness the full demographic dividend, India needs an educational system which is of high quality, affordable, flexible and relevant to the individuals, economy and to the society as a whole.

The Rathinam Community College, as envisaged, will be accessible to a large number of individuals of the community, offer low cost and high quality education locally, that encompasses both skills development as well as traditional coursework, thereby providing opportunities to the learners to move directly to the employment sector or move into higher education. It provides a flexible and open education system which also caters to community-based life-long learning needs.

Rathinam College of Arts & Science (Autonomous)

Re- Accredited with A grade by NAAC
Approved by AICTE & Recognized by UGC and Under Section 2(f) & 12(b)

Rathinam College of Arts & Science (RCAS) stands strong for the students who are willing to learn something new. We are not restricting ourselves to just the academic education, which is just a part of our curriculum as we believe. The overall growth of students is also equally important. Rathinam understands that, the college a student gets in, will change his entire life. We follow a well organized and clearly charted system of education which paves the way for a better future.

Our ultimate aim is to provide a learning experience which embraces changes in a positive way.
Experience and innovation of faculties go hand in hand, by which the students gain knowledge and skills in order to prepare for the competitive world. Life transforming experience that is how education at RCAS is defined.

ON A MISSION TO CONQUER NEW FRONTIERS - RSA!

Rathinam School of Architecture is an institution established by an elite panel of practitioners and academicians with an intention to redefine learning and set new standards in Architectural education, design, research and scholarship to create an engagement between academia-research-Industry. RSA will constantly explore the domain of Design and Architecture through intense architectural dialogue, inquiry, experimental and continued research to evolve informed industry ready professionals with aptitude necessary to emerge as leaders and critical thinkers in the field of Architecture and Design.

CENTRE OF EXCELLENCE AND LIVE LAB FOR SMART CITIES DEVELOPMENT

To address the evolving needs and emerging trends in hundreds of smart cities development projects around the world, Rathinam School of Architecture (RSA) is in the process of setting up a "Centre of Excellence and Live Lab for Smart Cities Development" within the College premises. In addition to carrying out smart cities related Consulting, Incubation, and Testing activities, this centre will also provide a platform for RSA B.Arch students to learn and practice Architecture inside the Centre of Excellence and Live Lab for Smart Cities Development. This puts them above their peers with a hands-on experience in planning, designing and executing deeply involved projects while doing their B.Arch program.

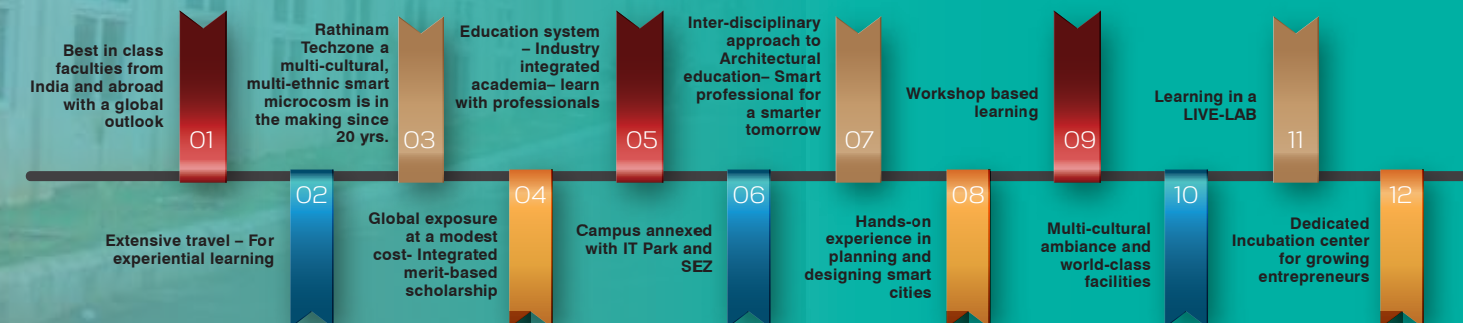

KEY DIFFERENTIATION

Opportunity to participate in evolving the smart city inclusive campus thus gaining hands-on experience while at college.

Best in class faculty from India and Abroad.

Workshop based learning.

Reasons to choose RSA

DO YOU HAVE A PROFOUND WISH FOR A BUSINESS CAREER?

YOUR DESTINY IS JUST A FEW STEPS AWAY.

Rathinam Institute Of Management

WHAT MAKES RIM TO STAND OUT?

RATHINAM INSTITUTE OF MANAGEMENT (RIM) offers MBA, but how it differs from the other so called management institutes? We are approaching the management studies in a practical way rather than telling 'how is that' as a theory, we are taming you in the real world. MBA here is an industry embracing course so that you will be a part of the industry right from your studies.

With this experience, the real industry world will not frighten you and it will be like a protracted college for you all throughout your life. We believe in the dictum, "learning will happen only by doing".

Targeting the important areas which are essential for your career is worth mentioning that we concentrate on different management sectors such as a team of exceedingly skilled academic staff with vast experience in the field of Management, to train the students individually.

We are aware of the swiftly changing trends in management and marketing, and the syllabus of ours is regularly updated according to that.

PREMIUM MBA (ONE SEMESTER ABROAD)

To address the growing demand of aspirants in gaining knowledge of current Global Management practices and perspective, RIM introduces Premium MBA, a prestigious MBA program in association with some of the leading International universities. The program will provide an opportunity for students to travel abroad during the last semester, to gain skills in their desired area of interest and earn a certificate from a leading foreign university. In addition, this will provide a platform to the student for networking abroad to raise capital for their business ideas and to seek foreign employment opportunities.

Career Guidance & Placement Cell

Placement and training cell of the college is equipped with motivated faculties to train the students and equip them to suit the present day industry needs. A separate department was started during 2006 with a goal of providing world class training and placing the students in renowned companies.

The Placement cell is headed by the Principal and all the activities are co-ordinated by the Vice Principal. Placement Officer, HR managers, HR consultants and the Heads of the Departments are the members of the placement cell. They help the placement officers in training and motivating the students to get suitable placements.

Activities of Career Guidance and Placement Cell:

- » Career guidance, counseling and motivational programmes
- » Finding suitable training organization to prepare the students for training to suit the company needs
- » Conducting regular soft skill training programmes and aptitude skill based evaluations
- » Interactive and communicative English classes and workshops
- » Interaction with companies, organizations, consultants and arranging for on-campus interviews
- » Conducting Job Fairs/ Job Melas, follow-ups and getting feed backs from the recruiters.

THE JOY OF LEARNING

RATHINAM
INTERNATIONAL
PUBLIC SCHOOL

1st TIME IN COIMBATORE

Combined Syllabus of CBSE / IGCSE

Rathinam International Public School (RPS) is a part of Rathinam Group.

At RPS, we believe that learning is pleasurable and that learning in the form of play and enquiry can be the first step in having embraced a lifetime of learning. "Every child gains a strong sense of self and grows into a healthy individual with life-long joy in learning, working and exploring life. This will enable them to contribute happily and productively, their unique talents to the world."

At RPS, children will be exposed to different ideas and concepts, encouraged to question, motivated to experiment and express all that they learn in the form of creative work. These practices prepare them emotionally for academic learning.

Customized Curriculum

Education and Sports activities go hand in hand at Rathinam. There will be several students who are very much talented in various sports. We handpick and train them with the help of professional trainers.

Highlights:

- 1) Accommodates a fine quality cricket ground with special training nets. It must be noted that only very few colleges are equipped with training nets.
- 2) A separate and devoted place is given to Basket Ball court. This outdoor basketball court is built in an advanced way following every norms of the sport.
- 3) There is a highly equipped Gym facility to keep everyone fit. We believe in physical fitness amplifies mental fitness.
- 4) Football, Shuttle Badminton, Ball Badminton, Volley Ball, Coco are also given equal importance.
- 5) Along with these modern sports, traditional martial arts like Kalaripayattu, Silambattam are also taught to the students for self-defense.

OUR GLOBAL PRESENCE

Rathinam Group is spreading its International operations by broadening its focus into capacity building and Infrastructure development. The Group is currently involved in smart city development and higher education projects across SAARC and AFRICAN countries.

Rathinam Group has been involved in Education and IT Development since its inception. The group has received many accolades; Recently, Rathinam Group was selected by Govt. of India to set up the prestigious Atal Incubation Center at its campus. Rathinam's wealth of experience combined with its pursuit of excellence holds the organization in good stead to undertake globally demanding projects.

PAN-INDIA PRESENCE

Rathinam Group continues to expand in India through a wide range of offerings in Education and Digital Services. The Group recently acquired a college in Delhi, through this it aims to provide quality education to all regions in India

Rathinam group also operate in all the major cities in India through its Digital Services and Educational training offerings. Rathinam Digital Services caters to services such as GST Filling, Banking Services, AEPS, E-Seva, IT returns and has a presence in over 30 major tier-1 and tier-2 cities. In the training space, Rathinam in association with British Counsel provides training to students and working professionals across India.
