RAISE CENTRE OF EXCELLENCE

RAISE CENTRE OF EXCELLENCE

The Raise Centre of Excellence is an epitome of quality where best practices are developed based on expertise and data gathered from a company's experience as well as real-time feedback from the placement cell. These practices eventually become ingrained in the college's culture, enabling it to develop industry-ready professionals who adhere to the company's expectations.

As global competition intensifies, industries become more competitive, and the supply chain needs to instill these improvements in students in order to provide the groundwork for a stable foundation and a sophisticated profession.

WHY CENTRE OF EXCELLENCE?

CONCEPT ORIENTED TEACHING-LEARNING

PROBLEM SOLVING SKILLS | **PEER LEARNING SKILLS** | **PROJECT MAKING SKILLS**

The objective of Centre of Excellence training is to provide a fundamental understanding of the subject", is concerned with the acquisition of fundamental knowledge upon which more sophisticated learning is built. While traditional teaching approaches, particularly lectures and training, are highly effective at "delivering" this type of knowledge, simply having it available does not guarantee that students will comprehend it. The CoE's unique methodology and style of classroom instruction offers this potential.

PLACEMENT HIGHLIGHTS

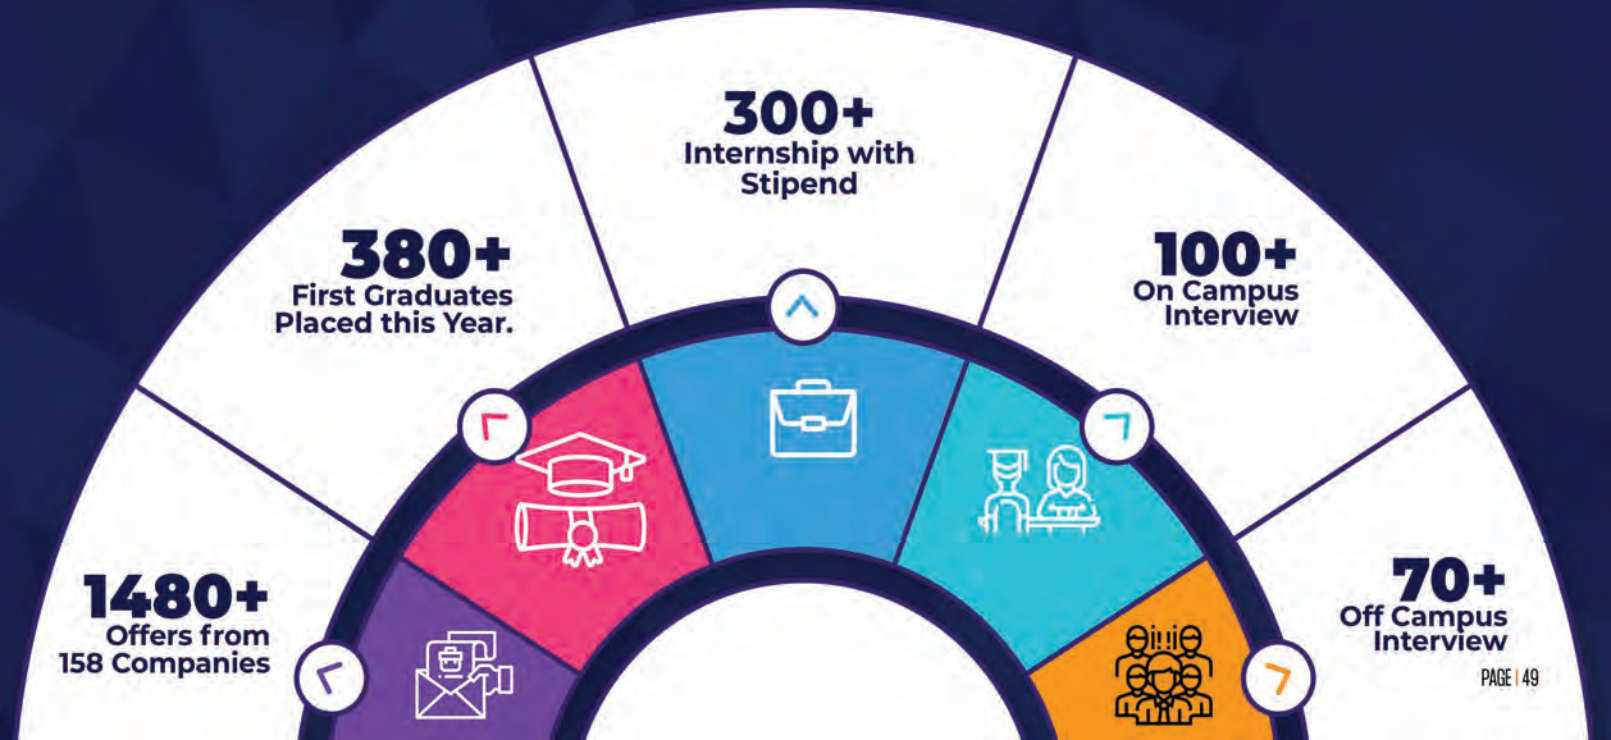

Objective

The Placement Cell plays a crucial role in pitching job opportunities for Undergraduates and Postgraduates passed out from the college by having an association with reputed firms and industrial establishments. The Placement Cell operates round the year to facilitate contacts between companies and graduates.
We have been successful in maintaining our high placement statistics over the years. Our ingenious alumni have set new standards in the corporate world through their meritorious contributions and with conviction we continue that legacy in the years to come.

The Placement Cell organises continuous training program from the first year onwards on Soft Skills, Aptitude, Interview skills & Technical skills to enhance the knowledge of the graduates as per industry standards to make them employable. For the Top MNC eligible graduates, we provide company specific training to crack the interviews. For commerce graduates, we provide a Certificate Programme on Banking, Finance & Insurance through Bajaj Finserv and Diploma in Licentiate Degree through Insurance Institute of India. The Placement Cell also organizes career guidance programmes for all the students starting from first year. The departments with the support of Placement Cell arrange training programmes like Mock Interviews, Group Discussions, Communication Skills Workshop etc. It also organizes Public Sector Exam Training for students who are interested to join Government Sectors.

HOSTEL FACILITY

Rathinam Institutions take pride to mention that Rathinam Hostels are managed by a well experienced professional hostel operator. It is known for its management capabilities in co-living spaces across South India. Rathinam hostels provide "Top Class" infrastructure facilities and a secured environment for the students. It also provides "Mobile App" through which a student can give feedback and address all the grievances and maintain the list of absentees. Biometrics is also installed to monitor and restrict unwanted movement of the students.

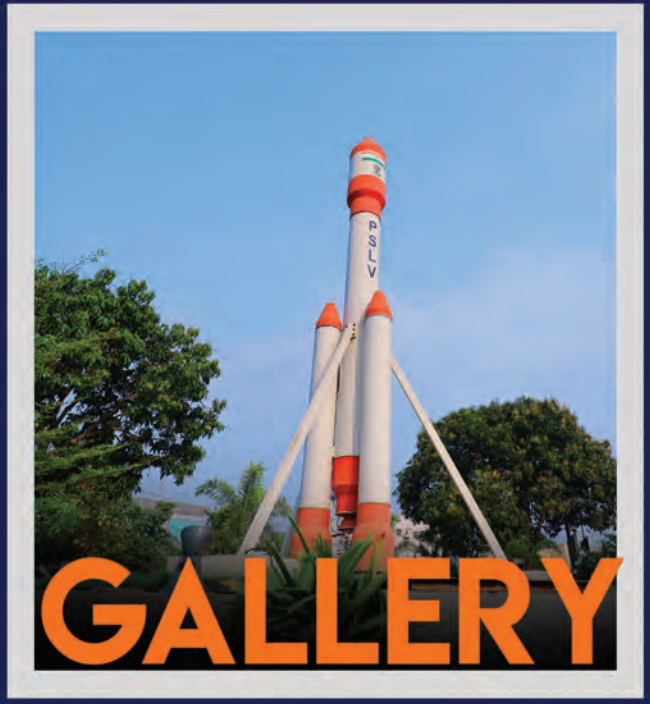

The boarding facility at Rathinam is more like a home. Multiple hostels with wash centers and 24×7 security assure a safe and sound living. Campus has huge security installations involving more than 100 CCTV Cameras. Hostels are under complete surveillance; automatic boom barriers are there at the main gate and a dedicated team of professional security officers and personnel are deputed in all campus locations. Another facility we have within our campus is the high speed internet across the campus. 24×7 Wi-Fi facility is available for the students and faculty members to avail internet connection at any place within the college and the hostel. A separate 100 KVA generator is available to ensure uninterrupted power supply to the hostel and mess. There are 5 hostels, of which 3 are girl's hostel and 2 are boy's hostel. Each hostel wing has a prayer hall, TV hall, Gym, Store and Indoor Games Center for recreation.

The freedom to work at my own pace whilst getting the help I need, whenever it has been needed was one of the best things about choosing Rathinam College. The amazing library, lab and its many resources helped me through all revision and the teachers themselves were knowledgeable and enthusiastic that it really inspired me to study here.

I am a self confident and an optimistic person. I have great exposure as MoC and in Rathinavani 90.8 cr., which has moulded me to be a RJ. Now I am in Bollywood as Assistant Director under Sri Jagan sakthi.

It has been wonderful 3 years at Rathinam college.Things could have been different if Rathinam college had not nurtured us in all respect, be it in developing a sense of leadership, to be innovative in our ideas, building our courage and sense to be in corporate world, learning work ethics to name a few. Rathinam college has always guided and encouraged its students to take a right path on their own. Thank you Rathinam for your support.

On one hand, Rathinam enriched me in managing modern and multidisciplinary methods and on the other end , it also opened up to new avenues which always produced diversity to one's own way of working.

RATHINAM EDUCATIONAL INSTITUTIONS

The only group of institutions in Tamilnadu with A+ and A++ NAAC Accreditation in Engineering and Arts & Science College. The only landmark in India that has more than 30+ IT companies and the most up-to-date infrastructure all under one roof. We have the evergreen Arts and Science, Engineering, Management, Architecture and Physiotherapy courses under various disciplines. Rathinam kick started its journey 40 years ago with the noble vision of creating a large community with extensive knowledge and a global outlook to remain as trendsetters.

Rathinam takes pride in announcing that our group of institutions has bagged an A++ grade with a score of 3.60 for Arts and Science College. While the Technical Engineering campus is the only college accredited with an A+ grade in its very first cycle with a score of 3.45. It's our privilege to have AIC RAISE, India's First Atal Incubation Centre focusing on United Nations Sustainable Development Goals, established under the prestigious Atal Innovation Mission of NITI Aayog, Government of India. Rathinam has an outstanding performance in building an entrepreneur's journey with unique UN SDG goals. Our startup has raised more than 40+ crore of investment in the last 3 years.

The RAISE Centre of Excellence focuses on delivering education related to concept-based teaching and learning with the support of industries on our campus. This way, Rathinam gives its students effective and unique training for the future.

The unique tenets of our institute are 3I's (Innovation, Incubation and Industry-Institute Interaction). The teaching-learning methodologies in Rathinam are based on the 3I concept, which steers the whole academic and non-academic processes on our campus effectively.
